Padding: 100% polyester
Pulse Latex: Mix of natural and synthetic latex

Product care advice

Wash the textiles at 60°C.
Do not dry clean.

Splittable zippers make the washing manageable in a normal machine.

Use a minimum amount of washing powder and a delicate spin cycle setting.

Drip dry. Do not tumble dry.

Any shrinkage that may occur can be corrected by stretching the fabric when dry.

The covers must be completely dry before placing them back on the mattresses.

Latex must not be exposed to direct sunlight. Keep the cover on if hanging the top mattress out for airing.

Norwegian design and quality

Wonderland's beds are produced in Åndalsnes, in Norway. We focus on understanding the human need for sleep and what the body needs to recover well. Wonderland wants to contribute to a world that sleeps better.
